By 9/3 2/3 To, the Dir. of Geol No D 5437 of 6-3-36

Request him to send us the objection slip & the Comptr's intimation the authority under which the T.A. bills passed for halts of more than 30 days in the last.

3 From the Director of Geology no of 1456 dated 10/3/36 furnishes the information called for

6 Submitted with reg to paras 4 & 5 above

C The restriction clause 'not exceeding 30 days' was introduced in the year 1931. Since then the T.A. claims of the Geol Dept — it are said to have been passed by the Comptroller when halts exceeded 30 days at a single place. If approved then the Comptroller will be requested only to state how such claims were allowed without obtaining the sanction of Govt.

8 Returned with compliments. 835 Spl Waited
Daily ~~Duty~~ allowance for halts in excess of 30 days for officers and subordinates of Geological Department was admitted in audit in the past as per note 2 to Art.582 M.S.R Vth edition. When the restriction was imposed in 1931 Arts. 582B & 584 M.S.R.(Vth edition) were amended and Art.582 Note 2 was not amended. In the revised edition of M.S.R. this note also is brought under the main Art.519 M.S.R. (corresponding to Art.584 of the Vth edition) and the claim was continued to be admitted under the misapprehension that the restriction imposed in Para 1 of Art.519 M.S.R. does ~~not~~ not apply to Para 4 of the article which deals with Geological Department.

9 As a doubt is now felt whether the ~~direction~~ Director can sanction halts in respect of officers & subordinates for indefinite periods and whether the restriction should not be imposed in the case of Geological Department as in the case of the officers of the Forest and Electrical Departments, the question was now raised in audit and I hold the view that it has to be applied.

Comptroller.

Empowering the Director of Govt to sanction halts of more than 30 days at a single place.

Govt File No. 83 V of 193 . — General and Revenue Secretariat

10 Ref Para 6 above

Govt. The proposal of the Dir is to empower him to sanction the T.A. of the officers of the Govt deptt, both Gazetted & non-gazetted, for halts of more than 30 days at a single Camp.

It is not known whether there is any difficulty in seeking the sanction of Govt in each individual case in respect of a halt of more than 30 days at one place. There seems to be no need for a general rule. The proposal to empower the Dir to sanction halts for indefinite period without imposing the restriction as has been done in the case of other deptts, seems to be financially unacceptable.

At present the maximum period which the Dir can sanction is of halts is restricted to 30 days. This period may perhaps be raised to 40 or 50 days in the circumstances explained by the Dir.

The Joint Sy may be consulted in the matter

FINANCIAL DEPARTMENT U.O.No. FI. 2967 13. MAY 1936 BANGALORE.

The Director of Geology is now exercising the power of sanctioning daily allowance for halts of more than 10 days at one place (vide article 519 M.S.R.) and he now requests that he may be delegated with the power of sanctioning halts exceeding 30 days, made by his subordinates at a single place in view of the peculiar nature of the prospecting and geological survey work of the department.

The power asked for has not been delegated to the head of any department.

In May 1930, the Comptroller brought to notice of Government certain instances of improper use of the

Delegation of powers to the Director of Geology to sanction halts of more than 30 days

Je 2967.

power delegated to heads of departments in the matter of sanctioning d.a. for halts exceeding 10 days and thereupon Government amended the provisions of the M.S.R. adding the words " but not exceeding 30 days" (vide S. & A. file 25-29 placed below).

C

The Chief Conservator exercises this power in the cases of gazetted and non-gazetted officers of the department and the Chief Electrical Engineer has to report cases of Gazetted officers in whose cases he sanctions halt of more than 30 days.

The Director reports that the Audit department was not taking objection hitherto. Neither the Director nor the Audit Department has been able to quote the order permitting the Director to pass halts of more than 10 days at one place.

It does not therefore appear expedient to delegate the power asked for, as no inconveniences whatsoever will be caused by reporting to Government and obtaining sanction to cases of halt of more than 30 days made by his subordinates.

He has now under Art. 519 powers to sanction halts up to 30 days and this will perhaps do. If the power is to be extended in respect of both gazetted and non-gazetted officers, the provision in the M.S.R. may be amended suitably ~~accordingly~~.

To

M.Venkatanaranappa, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Department,
B a n g a l o r e.

Geol. 83-35-1

SIR,

I have the honour to state that the Comptroller to Government has placed under objection the travelling allowance claims of Mr. K.Khader Mohieddin, Temporary Field Assistant, for the months of November and December 1935 on the ground that sanction of Government is necessary for admitting daily allowances for halts of more than 30 days at one place as per Article 519, Mysore Service Regulations.

It may be stated for the information of Government that the prospecting and geological survey work of this Department is of such a nature that often continuous halts of more than thirty days at one place, becomes necessary in the interests of the departmental work. Sometimes, during the field seasons the stay of officers in a single camp may extend for some months, before their work could be finished. This has been the case all these years and at no time was objection taken to, by the Comptroller in admitting the travelling allowances of officers, both gazetted and non-gazetted, in respect of such halts.

~~In~~ Since in the interest of the departmental work, it often becomes necessary for officers to make halts of more than 30 days at a single place, I request that Government may be pleased to vest in me the discretionary power to sanction the travelling allowances of the officers of this Department, both gazetted and non-gazetted, for such halts of more than thirty days at a single camp.

Early orders of Government are solicited in the matter to enable me to get through the usual programme of ~~the~~ work of the Department.

I have the honour to be,
Sir,
Your most obedient servant,

B Rama Rao

Geol 83-35-2-3

SIR,

With reference to your letter No.D.5437/Geol.83-35-2 dated 6th March 1936 requesting for information the authority under which travelling allowances were being passed for halts of more than 30 days in the past, I have the honour to state that such allowances were passed according to Article 532 B. M.S.R. Fifth edition, under which the Director of Geology,, with some other officers, was vested ~~with~~ the power of sanctioning daily allowance for halts of more than ten days. This article did not contain the restrictive clause 'not exceeding thirty days' which was,however, introduced later by correction slip No.206 dated 2nd April 1931 as per Government order No. Fd.7455/S&A 25-29-14 dated 2nd April 1931. The original article as modified is now numbered as Article 519 in the sixth edition of the M.S.R. Even after the introduction of the ~~T.A. claims of this Department~~ restricting clause, the T.A. claims of this Department were being passed by the Comptroller when halts exceeded 30 days, at a single place. If the present rule has to be strictly given effect to in all cases, I have to ask the touring officers to constantly shift their camps whether their work is finished or not. This will considerably dislocate the work and will also involve in unnecessary expense to Government. As halts of more than 30 days will form more or less a routine with all officers engaged in mining and prospecting works, the question of obtaining sanction at every instance will end in unnecessary correspondence, and delay in getting the bills audited and passed.

Under these circumstances, as I have already requested I solicit early orders of Government to authorise me to sanction the T.A. of officers of this Department for continuous halts of more than 30 days at a single camp.

It may be stated for the information of Government that the discretionary power of sanctioning halts of both gazetted and non-gazetted officers of this Department for such halts will be used only whenever a necessity for it arises

The Comptroller's objection slip is herewith forwarded as desired.

p.t.o.

Favourable orders of Government in the matter are solicited.

I have the honour to be,
Sir,
Your most obedient servant,

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE,

Bangalore, dated 6th February *19*36.

FROM

A. N. RAGHAVACHAR, ESQ., M.A.,
Comptroller to the Government of His Highness the Maharaja of Mysore, Bangalore.

To

The Director of Geology,
BANGALORE.

SIR,

In returning herewith your supplemental Travelling Allowance bill T.142 for November 35 for Rs.10-0-0 unaudited,,I have the honour to state that it is now noticed from the bill that the whole journey from Bangalore to Hiriyur and back for inspection of state-stone quaries and Geological investigations was made actually in Car by road and not by rail Via Chitaldrug and so as per article 473 (c) M.S.R the allowances admissible for the journey is mileage for 100 miles each day for the 22nd and 24th November 35 and Daily allowance for the 23rd November 35 amounting in all to Rs.67-8-0 as against the amount of Rs.92-4-0 wrongly admitted in audit. As noted in the bill Hiriyur is stated to have been reached on the 23rd evening I therefore request you to kindly shortdraw a sum of Rs.24-12-0 drawn in excess in your next Travelling Allowance bill.

2. Daily Allowance claimed by Mr. Kadar Mohideen field assistant for halt at Hiriyur for 24 days amounting to Rs.24-0-0 is kept under objection for want of Government sanction for halt exceeding 30 days as per article 519 M.S.R.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Comptroller.

I write about this to Govt in the lines given formerly.

Gol 83-35-5

SIR,

With reference to your letter No.D.6392/Geol.83-35-34 dated 25th April 1936 requesting to be furnished with a statement showing (1) the number of cases of ~~continuous~~ continuous halts of more than 30 days at one place that were made by the officers of the Department, both gazetted and non-gazetted, during the past three years, i.e., since 1932-33 and (2) the period of halt in each case, I have the honour to forward herewith the required statement. The cases of such continous halts from 1927 to 1932 are also shown in the statement under (b).

From the above statement, it is seen that instances of halts of more than 30 days at a single place are of frequent occurrence. Such halts become necessary only when prospecting or mining work is undertaken and not while geological or mineral survey is carried out. Prospecting and mining forming part of the usual work of the Department continuous halts of the above nature occur frequently and cannot be avoided. The difficulty that will be felt in carrying out the work of the Department by strict adherence to the 30 days' halt limit has already been explained to Government in my letter No.G.1456 dated 10th March 1936.

Compared with the number of cases of continuous halts of more than 30 days of Gazetted officers during the period from 1927 to 1932, those during the past 3 years from 1932-35 are less. This was partly due to the reduced strength of the Gazetted staff of the Department and partly to one of the officers being on foreign deputation for more than a year during that period.

Under these circumstances, I request early orders of Government empowering me to sanction halts of more than 30 days at ~~six~~ a single place.

I have the honour to be,
Sir,
Your most obedient servant,

B Rama Rao

Development Department,
SIR, Bangalore.

I have the honour to invite a kind reference to my letter No.G.1746 dated 4th May 1936 furnishing you with a statement of cases of halts of more than 30 days at a single place made by the officers of this Department and to request you to kindly obtain early orders of Government empowering me to sanction such halts as the Travelling Allowances of the officers of the Department have been held up from November 1935 under objection by the Comptroller to Government.

I have the honour to be,
Sir,
Your most obedient servant,

B Rama Rao
Director,
Mysore Geological Department.

GENERAL AND REVENUE SECRETARIAT.
